Email Address: \_\_\_\_\_

Type of Transportation Activity: \_\_\_\_\_

In order to streamline our rulemaking notification process, the California Highway Patrol will make future Notices of Proposed Regulatory Action (NPRO) available by electronic mail (email). Participation in the email notification process is voluntary and available to all interested parties who provide the CHP with their expressed consent. Interested Parties who opt for the email notification will be provided "hard copies" via U.S. Mail only following a specific request. All other notifications will be made by email.

To request email delivery of NPRO in lieu of printed notices please:

- 1) Send an email to [CVSRegs@chp.ca.gov](mailto:CVSRegs@chp.ca.gov) from the mailbox you wish to receive future NPRO, and
- 2) Include the following in the subject line: "Consent to receive NPRO via email"
